## Ultra Compact Scrubber

The 244NX Compact Scrubber delivers fast, effective cleaning across all hard floors.

Traditional mopping has often been the only solution when cleaning small and congested areas; leaving floors wet with inconsistent results. Lightweight and easy to use, the 244NX leaves floors clean, dry and safe while reducing labour costs by 70% and water use by 80%.

### One-Pass Performance

One-pass cleaning performance is achieved by applying brush pressure and powerful drive motors with the right amount of water in the right place.

### Agile and Lightweight

Agile and lightweight handling easily navigates obstacles in congested areas gliding over floors for controlled, effortless cleaning.
